

**DECLARATION on REACH Conformity
of Synbra Technology Products**

Synbra

To whom it may concern,

We, Synbra Technology bv are in compliance with the requirements of European Directive 1907/2006 REACH regarding our products mentioned below.

REACH compliance means that all relevant substances contained in each respective product are:

- excluded from the Regulation,
- exempted from the Regulation, and/or
- have been pre-registered and/or have been registered.

Styrex® FM grades

We are sure you will understand that Synbra Technology bv cannot assume any liability as to whether, and when, our suppliers or other participants in our supply chain actually do (pre) register those substances that require registration. We will, of course, make every effort to inform you early on key changes in circumstances.

This Information contained is given in good faith and to the best of the knowledge.

The data refer to the state of laws at the date of issue.

With publication of a new issue of this declaration the former certificate automatically becomes void.
